

**Introducing the "Creation Moments" radio broadcast,
a free resource for your station ... and your listeners!**

"Creation Moments" is a two-minute daily radio broadcast featuring scientific facts of nature that point to deliberate design rather than evolutionary chance. In a world bombarded by false messages about origins, each "Creation Moments" broadcast provides accurate, up-to-date information about new discoveries in God's creation and how they relate to the Bible. We believe true science backs biblical truth.

"Creation Moments" is provided to your station free of charge and is distributed every six weeks. Though Creation Moments is unable to buy air time, over 1,200 radio stations are now airing our broadcasts to serve their listening audience. "Creation Moments" broadcasts are also available via downloadable MP3 files at www.creationmoments.com/stations.

If you wish to carry "Creation Moments" on your station, simply mail the enclosed card, call 800-422-4253 or email us at info@creationmoments.com.

About Creation Moments

Creation Moments exists to glorify God by presenting scientific evidence for the literal truth of the Bible.

The "Creation Moments" broadcast is a ministry of Creation Moments, Inc. Currently, the radio broadcast is heard around the world daily on over 1,200 stations and outlets. Each radio transcript was written by Pastor Paul Bartz and is designed to present a simple truth, which upholds Biblical witness about the work of our Creator.

Creation Moments is a nonprofit, 501(c)(3) interdenominational Christian outreach. We serve individuals, students, churches, home-schooling parents, and professionals by offering products as well as free resources that uphold the truth of God in creation. In 2008 Creation Moments celebrates 45 years of ministry and service to our Lord.

We look forward to partnering with you!
